

1 Prince Andrew Newsnight Interview with Emily Maitlis – 16 November 2019
2

3 **SEGMENT 1**
4

5 EM: Your Royal Highness, we've come to Buckingham Place in highly unusual circumstances.
6 Normally, we'd be discussing your work, your duty and we'll come on to that but today
7 you've chosen to speak out for the first time. Why have you decided to talk now?
8

9 PA: Because there is no good time to talk about Mr Epstein and all things associated and
10 we've been talking to Newsnight for about six months about doing something around the
11 work that I was doing and unfortunately we've just not been able to fit it into either your
12 schedule or my schedule until now. And actually it's a very good opportunity and I'm
13 delighted to be able to see you today.

14
15 EM: As you say, all of this goes back to your friendship with Jeffrey Epstein, how did you first
16 become friends? How did you meet?

17
18 PA: Well I met through his girlfriend back in 1999 who... and I'd known her since she was at
19 university in the UK and it would be, to some extent, a stretch to say that as it were we were
20 close friends. I mean we were friends because of other people and I had a lot of opportunity
21 to go to the United States but I didn't have much time with him.

22
23 I suppose I saw him once or twice a year, perhaps maybe maximum of three times a year
24 and quite often if I was in the United States and doing things and if he wasn't there, he
25 would say "well, why don't you come and use my houses?" so I said "that's very kind, thank
26 you very much indeed".

27
28 But it would be a considerable stretch to say that he was a very, very close friend. But he
29 had the most extraordinary ability to bring extraordinary people together and that's the bit
30 that I remember as going to the dinner parties where you would meet academics,
31 politicians, people from the United Nations, I mean it was a cosmopolitan group of what I
32 would describe as US eminents.

33
34 EM: Was that his appeal then?

35
36 PA: Yeah.

37
38 EM: Was that what you... because you were perceived by the public as being the party
39 prince, was that something you shared?

40
41 PA: Well, I think that's also a bit of a stretch. I don't know why I've collected that title
42 because I don't... I never have really partied. I was single for quite a long time in the early
43 80s but then after I got married I was very happy and I've never really felt the need to go
44 and party and certainly going to Jeffrey's was not about partying, absolutely not.

45
46 EM: You said you weren't very good friends but would you describe him as a good friend,
47 did you trust him?

48

49 PA: Yes, I think I probably did but again, I mean I don't go into a friendship looking for the
50 wrong thing, if you understand what I mean. I'm an engaging person, I want to be able to
51 engage, I want to find out, I want to learn and so you have to remember that I was
52 transitioning out of the navy at the time and in the transition I wanted to find out more
53 about what was going on because in the navy it's a pretty isolated business because you're
54 out at sea the whole time and I was going to become the special representative for
55 international trade and investment.

56

57 So I wanted to know more about what was going on in the international business world and
58 so that was another reason for going there. And the opportunities that I had to go to Wall
59 Street and other places to learn whilst I was there were absolutely vital.

60

61 **SEGMENT 2**

62 EM: He was your guest as well, in 2000 Epstein was a guest at Windsor Castle and at
63 Sandringham, he was brought right into the heart of the Royal Family at your invitation.

64
65 PA: But certainly at my invitation, not at the Royal Family's invitation but remember that it
66 was his girlfriend that was the key element in this. He was the, as it were, plus one, to some
67 extent in that aspect.

68
69 EM: Am I right in thinking you threw a birthday party for Epstein's girlfriend, Ghislaine
70 Maxwell at Sandringham?

71
72 PA: No, it was a shooting weekend.

73
74 EM: A shooting weekend.

75
76 PA: Just a straightforward, a straightforward shooting weekend.

77
78 EM: But during these times that he was a guest at Windsor Castle, at Sandringham, the
79 shooting weekend...

80
81 PA: Yeah, yeah.

82
83 EM: We now know that he was and had been procuring young girls for sex trafficking.

84
85 PA: We now know that, at the time there was no indication to me or anybody else that that
86 was what he was doing and certainly when I saw him either in the United States... oh no
87 when I saw him in the United States or when I was staying in his houses in the United States,
88 there was no indication, absolutely no indication. And if there was, you have to remember
89 that at the time I was patron of the NSPCC's Full Stop campaign so I was close up with what
90 was going on in those time about getting rid of abuse to children so I knew what the things
91 were to look for but I never saw them.

92
93 EM: So you would have made that connection because you stayed with him, you were a
94 visitor, a guest on many occasions at his homes and nothing struck you as suspicious...

95
96 PA: Nothing.

97
98 EM: ...during that whole time.

99
100 PA: Nothing.

101
102 EM: Just for the record, you've been on his private plane.

103
104 PA: Yes.

105
106 EM: You've been to stay on his private island.

107

108 PA: Yes.
109
110 EM: You've stayed at his home in Palm Beach.
111
112 PA: Yes.
113
114 EM: You visited Ghislaine Maxwell's house in Belgravia in London.
115
116 PA: Yes.
117
118 EM: So in 2006 in May an arrest warrant was issued for Epstein for sexual assault of a minor.
119
120 PA: Yes.
121
122 EM: In July he was invited to Windsor Castle to your daughter, Princess Beatrice's 18th
123 birthday, why would you do that?
124
125 PA: Because I was asking Ghislaine. But even so, at the time I don't think I... certainly I wasn't
126 aware when the invitation was issued what was going on in the United States and I wasn't
127 aware until the media picked up on it because he never said anything about it.
128
129 EM: He never discussed with you the fact that an arrest warrant had been issued?
130
131 PA: No.
132
133 EM: So he came to that party knowing police were investigating him.
134
135 PA: Well I'm not quite sure, was it police? I don't know, you see, this is the problem, I really
136 don't know.
137
138 EM: It was the Palm Beach Police at the time.
139
140 PA: But I mean I'm afraid, you see this is the problem is that an awful lot of this was going on
141 in the United States and I wasn't a party to it and I knew nothing about it.
142
143 EM: In 2008 he was convicted of soliciting and procuring a minor for prostitution, he was
144 jailed, this was your friend, how did you feel about it?
145
146 PA: Well I ceased contact with him after I was aware that he was under investigation and
147 that was later in 2006 and I wasn't in touch with him again until 2010. So just it was one of
148 those things that somebody's going through that sort of thing well I'm terribly sorry I can't
149 be... see you.
150

151 **SEGMENT 3**

152 EM: So no contact?

153

154 PA: No contact.

155

156 EM: When he was serving time there was no call, no letter, nothing there?

157

158 PA: No, no, no.

159

160 *Emily Maitlis:* He was released in July, within months by December of 2010 you went to stay
161 with him at his New York mansion, why? Why were you staying with a convicted sex
162 offender?

163

164 *Prince Andrew:* Right, I have always... ever since this has happened and since this has
165 become, as it were, public knowledge that I was there, I've questioned myself as to why did
166 I go and what was I doing and was it the right thing to do? Now, I went there with the sole
167 purpose of saying to him that because he had been convicted, it was inappropriate for us to
168 be seen together.

169

170 And I had a number of people counsel me in both directions, either to go and see him or not
171 to go and see him and I took the judgement call that because this was serious and I felt that
172 doing it over the telephone was the chicken's way of doing it. I had to go and see him and
173 talk to him.

174

175 And I went to see him and I was doing a number of other things in New York at the time and
176 we had an opportunity to go for a walk in the park and that was the conversation
177 coincidentally that was photographed which was when I said to him, I said, "Look, because
178 of what has happened, I don't think it is appropriate that we should remain in contact," and
179 by mutual agreement during that walk in the park we decided that we would part company
180 and I left, I think it was the next day and to this day I never had any contact with him from
181 that day forward.

182

183 EM: What did he say when you told him that you were breaking up the friendship?

184

185 PA: He was what I would describe as understanding, he didn't go into any great depth in the
186 conversation about what I was... what he was doing, except to say that he'd accepted,
187 whatever it was, a plea bargain, he'd served his time and he was carrying on with his life if
188 you see what I mean and I said, "Yes but I'm afraid to say that that's as maybe but with all
189 the attendant scrutiny on me then I don't think it is a wise thing to do."

190

191 EM: Who advised you then that it was a good idea to go and break up the friendship? Did
192 that come from the palace, was Her Majesty, the Queen involved?

193

194 PA: No, no, no, no, no, no, no, no, that came from... so there were a number of people
195 who... so some people from my staff, some people from friends and family I was talking to
196 and I took the decision that it was I had to show leadership and I had to go and see him and
197 I had to tell him, "That's it."

198

199 EM: That was December of 2010.

200

201 PA: Yep.

202

203 EM: He threw a party to celebrate his release and you were invited as the guest of honour.

204

205 PA: No, I didn't go. Oh, in 2010, there certainly wasn't a party to celebrate his release in
206 December because it was a small dinner party, there were only eight or 10 of us I think at
207 the dinner. If there was a party then I'd know nothing about that.

208

209 EM: You were invited to that dinner as a guest of honour.

210

211 PA: Well I was there so there was a dinner, I don't think it was quite as you might put it but
212 yeah, OK I was there for... I was there at a dinner, yeah.

213

214 EM: I'm just trying to work this out because you said you went to break up the relationship
215 and yet you stayed at that New York mansion several days. I'm wondering how long?

216

217 **SEGMENT 4**

218 PA: But I was doing a number of other things while I was there.

219

220 EM: But you were staying at the house...

221

222 PA: Yes.

223

224 EM: ... of a convicted sex offender.

225

226 PA: It was a convenient place to stay. I mean I've gone through this in my mind so many
227 times. At the end of the day, with a benefit of all the hindsight that one can have, it was
228 definitely the wrong thing to do. But at the time I felt it was the honourable and right thing
229 to do and I admit fully that my judgement was probably coloured by my tendency to be too
230 honourable but that's just the way it is.

231

232 EM: Because during that time, those few days, witnesses say they saw many young girls
233 coming and going at the time. There is video footage of Epstein accompanied by young girls
234 and you were there staying in his house, catching up with friends.

235

236 PA: I never... I mean if there were then I wasn't a party to any of that. I never saw them. I
237 mean you have to understand that his house, I described it more as almost as a railway
238 station if you know what I mean in the sense that there were people coming in and out of
239 that house all the time.

240

241 What they were doing and why they were there I had nothing to do with. So I'm afraid I
242 can't make any comment on that because I really don't know.

243

244

245 EM: Another guest was John Brockman, the literary agent. Now, he described seeing you
246 there getting a foot massage from a young Russian woman, did that happen?

247

248 PA: No.

249

250 EM: You're absolutely sure or you can't remember?

251

252 PA: Yeah, I'm absolutely sure.

253

254 EM: So John Brockman's statement is false?

255

256 PA: I wouldn't... I wouldn't... I don't know Mr Brockman so I don't know what he's talking
257 about.

258

259 EM: But that definitely wasn't you getting a foot massage from a Russian girl in Jeffrey
260 Epstein's house?

261

262 PA: No.

263

264 EM: It might seem a funny way to break off a friendship, a four-day house party of sorts
265 with a dinner. It's an odd way to break up a friendship.

266

267 PA: It's a difficult way of put... that's a very stark way of putting it, yes you're absolutely
268 right. But actually the truth of it is is that I actually only saw him for about, what the dinner
269 party, the walk in the park and probably passing in the passage.

270

271 EM: Let's go to that Central Park walk which was snapped. Friends of yours suggest that
272 Epstein wanted that photo taken, perhaps he'd even set it up, do you worry that you were
273 being played?

274

275 PA: Again, new information is coming out since his suicide has made us reappraise that walk
276 in the park. We can't find any evidence or my staff and my people and I can't find any
277 evidence to suggest that that was what he was doing. I mean you can look at it in so many
278 different ways. The fact of the matter is is that somebody very cleverly took that
279 photograph, it wasn't as far as I remember nor do my security people remember, anybody
280 being present or close because there were enough security around.

281

282 I mean there are even photographs of the security people who are around in the
283 photograph. So I mean he could have done but...

284

285 EM: Yeah, I guess what I'm asking is do you feel that you were part of Epstein's public
286 rehabilitation?

287

288 PA: Oh no, funny enough I don't, no. I mean if he was... if he was doing... if that photograph
289 was taken with that purpose in mind, then it doesn't... it doesn't equate to what actually
290 happened.

291

292 **SEGMENT 5**

293 EM: So why wouldn't you announce this break up when you got that? Why wouldn't you
294 publicly explain what you've done? Did you worry that he had something that could
295 compromise you?

296

297 PA: No, no.

298

299 EM: Do you regret that trip?

300

301 PA: Yes.

302

303 EM: Do you regret the whole friendship with Epstein?

304

305 PA: Now, still not and the reason being is that the people that I met and the opportunities
306 that I was given to learn either by him or because of him were actually very useful. He
307 himself not, as it were, as close as you might think, we weren't that close. So therefore I
308 mean yes I would go and stay in his house but that was because of his girlfriend, not
309 because of him.

310

311 EM: Was that visit, December of 2010 the only time you saw him after he was convicted?

312

313 PA: Yes, yeah.

314

315 EM: Did you see him or speak to him again?

316

317 PA: No.

318

319 EM: Never since then?

320

321 PA: No, that was... funny enough, 2010 was it, that was it because I went... well first of all I
322 wanted to make sure that if I was going to go and see him, I had to make sure that there
323 was enough time between his release because it wasn't something that I was going into in a
324 hurry but I had to go and see him, I had to go and see him, I had to talk.

325

326 EM: And stay with him, and stay in the house of a convicted sex offender?

327

328 PA: I could easily have gone and stayed somewhere else but sheer convenience of being
329 able to get a hold of the man was... I mean he was in and out all over the place. So getting
330 him in one place for a period of time to actually have a long enough conversation to say
331 look, these are the reasons why I'm not going to... and that happened on the walk.

332

333 EM: July of this year, Epstein was arrested on charges of sex trafficking and abusing dozens
334 of underage girls. One of the Epstein's accusers, Virginia Roberts...

335

336 PA: Yeah.

337

338 EM: ... has made allegations against you. She says she met you in 2001, she says she dined
339 with you, danced with you at Tramp Nightclub in London. She went on to have sex with you
340 in a house in Belgravia belonging to Ghislaine Maxwell, your friend. Your response?

341

342 PA: I have no recollection of ever meeting this lady, none whatsoever.

343

344 EM: You don't remember meeting her?

345

346 PA: No.

347

348 EM: She says she met you in 2001, she dined with you, she danced with you, you bought her
349 drinks, you were in Tramp Nightclub in London and she went on to have sex with you in a
350 house in Belgravia belonging to Ghislaine Maxwell.

351

352 PA: It didn't happen.

353

354 EM: Do you remember her?

355

356 PA: No, I've no recollection of ever meeting her, I'm almost, in fact I'm convinced that I was
357 never in Tramps with her. There are a number of things that are wrong with that story, one
358 of which is that I don't know where the bar is in Tramps. I don't drink, I don't think I've ever
359 bought a drink in Tramps whenever I was there.

360

361 EM: Do you remember dancing at Tramp?

362

363 PA: No, that couldn't have happened because the date that's being suggested I was at home
364 with the children.

365

366 EM: You know that you were at home with the children, was it a memorable night?

367

368 **SEGMENT 6**

369 PA: On that particular day that we now understand is the date which is the 10th of March, I
370 was at home, I was with the children and I'd taken Beatrice to a Pizza Express in Woking for
371 a party at I suppose sort of 4:00 or 5:00 in the afternoon. And then because the duchess was
372 away, we have a simple rule in the family that when one is away the other one is there. I
373 was on terminal leave at the time from the Royal Navy so therefore I was at home.

374

375 EM: Why would you remember that so specifically? Why would you remember a Pizza
376 Express birthday and being at home?

377

378 PA: Because going to Pizza Express in Woking is an unusual thing for me to do, a very
379 unusual thing for me to do. I've never been... I've only been to Woking a couple of times and
380 I remember it weirdly distinctly. As soon as somebody reminded me of it, I went, "Oh yes, I
381 remember that." But I have no recollection of ever meeting or being in the company or the
382 presence.

383

384 EM: So you're absolutely sure that you were at home on the 10th March?

385

386 PA: Yeah.

387

388 EM: She was very specific about that night, she described dancing with you.

389

390 PA: No.

391

392 EM: And you profusely sweating and that she went on to have bath possibly.

393

394 PA: There's a slight problem with the sweating because I have a peculiar medical condition
395 which is that I don't sweat or I didn't sweat at the time and that was... was it... yes, I didn't
396 sweat at the time because I had suffered what I would describe as an overdose of adrenalin
397 in the Falkland's War when I was shot at and I simply... it was almost impossible for me to
398 sweat. And it's only because I have done a number of things in the recent past that I am
399 starting to be able to do that again. So I'm afraid to say that there's a medical condition that
400 says that I didn't do it so therefore...

401

402 EM: Is it possible that you met Virginia Roberts, dined with her, danced with her in Tramp,
403 had sex with her on another date?

404

405 PA: No.

406

407 EM: Do you remember meeting her at all?

408

409 PA: No.

410

411 EM: Do you know you didn't meet her or do you just not remember meeting her?

412

413 PA: No, I have... I don't know if I've met her but no, I have no recollection of meeting her.

414

415 EM: Because she was very specific, she described the dance that you had together in Tramp.
416 She described meeting you, she was a 17-year-old girl meeting a senior member of the
417 Royal Family.

418

419 PA: It never happened.

420

421 EM: She provided a photo of the two of you together.

422

423 PA: Yes, yes.

424

425 EM: Your arm was around her waist.

426

427 PA: Yes.

428

429 EM: You've seen the photo.

430

431 PA: I've seen the photograph.

432

433 EM: How do you explain that?

434

435 PA: I can't because I don't... I have no... again I have absolutely no memory of that
436 photograph ever being taken.

437

438 EM: Do you recognise yourself in the photo?

439

440 PA: Yes, it's pretty difficult not to recognise yourself.

441

442 EM: Your friends suggested that the photo is fake.

443

444 PA: I think it's... from the investigations that we've done, you can't prove whether or not
445 that photograph is faked or not because it is a photograph of a photograph of a photograph.
446 So it's very difficult to be able to prove it but I don't remember that photograph ever being
447 taken.

448

449 EM: But it's possible that it was you with your arm around her waist?

450

451 PA: That's me but whether that's my hand or whether that's the position I... but I don't... I
452 have simply no recollection of the photograph ever being taken.

453

454 EM: The world has now seen the photo that Virginia Roberts provided taken by Epstein we
455 understand in Ghislaine Maxwell's house.

456

457 **SEGMENT 7**

458 PA: Well here's the problem, I've never seen Epstein with a camera in my life.

459

460 EM: I think it was Virginia Roberts's camera, she said a little Kodak one that she lent to
461 Epstein, he took a photo and your arm is round her waist.

462

463 PA: Listen, I don't remember, I don't remember that photograph ever being taken. I don't
464 remember going upstairs in the house because that photograph was taken upstairs and I am
465 not entirely convinced that... I mean that is... that is what I would describe as me in that... in
466 that picture but I can't... we can't be certain as to whether or not that's my hand on her
467 whatever it is, left... left side.

468

469 EM: You think that...

470

471 PA: Because I have no recollection of that photograph ever being taken.

472

473 EM: So why would somebody have put in another hand? You think it is next to her in the
474 photo.

475

476 PA: Oh it's definitely me, I mean that's a picture of me, it's not a picture of... I don't believe
477 it's a picture of me in London because when I would go out to... when I go out in London, I
478 wear a suit and a tie. That's what I would describe as... those are my travelling clothes if I'm
479 going to go... if I'm going overseas. There's a... I've got plenty of photographs of me dressed
480 in those sorts of... that sort of kit but not there.

481

482 EM: Just to clarify sorry, you think that photo has been faked?

483

484 PA: Nobody can prove whether or not that photograph has been doctored but I don't
485 recollect that photograph ever being taken.

486

487 EM: And you don't recollect having your hand...

488

489 PA: No.

490

491 EM: ... round her waist in Ghislaine Maxwell's house on any occasion, even if it was a
492 different date?

493

494 PA: I'm terribly sorry but if I, as a member of the Royal Family, and I have a photograph
495 taken and I take very, very few photographs, I am not one to, as it were, hug and public
496 displays of affection are not something that I do. So that's the best explanation I can give
497 you and I'm afraid to say that I don't believe that photograph was taken in the way that has
498 been suggested.

499

500 EM: Why would people not believe that you were there?

501

502 PA: I'm sorry, why would?

503

504 EM: I'm just trying to understand, there's a photo inside Ghislaine Maxwell's house,
505 Ghislaine herself in the background, why would people not believe that you were there with
506 her that night?

507

508 PA: They might well wish to believe it but the photograph is taken upstairs and I don't think I
509 ever went upstairs in Ghislaine's house.

510

511 EM: Are you sure of that?

512

513 PA: Yeah, because the dining room and everything was on the ground floor, was as you
514 came in... as you came in the hall. So I don't remember ever going up there. I'm at a loss to
515 explain this particular photograph. If the original was ever produced, then perhaps we might
516 be able to solve it but I can't.

517

518 EM: But you can say categorically that you don't recall meeting Virginia Roberts, dining with
519 her?

520

521 PA: Yep.

522

523 EM: Dancing with her at Tramp?

524

525 PA: Yep.

526

527 EM: Or going on to have sex with her...

528

529 PA: Yes.

530

531 EM: ...in a bedroom in a house in Belgravia?

532

533 PA: I can absolutely categorically tell you it never happened.

534

535 EM: Do you recall any kind of sexual contact with Virginia Roberts then or any other time?

536

537 PA: None whatsoever.

538

539 **SEGMENT 8**

540 EM: Because she said in a legal deposition, a legal court document in 2015, she had sex with
541 you three times. She is not confused about this. She said the first was in London when she
542 was trafficked to you, the second was at Epstein's mansion in New York.

543

544 PA: That is a date in April I believe, is that correct?

545

546 EM: She said it was a month or so later.

547

548 PA: Yeah, well I think that the date we have for that shows that I was in Boston or I was in
549 New York the previous day and I was at a dinner for The Outward Bound Trust in New York
550 and then I flew up to Boston the following day and then on the day that she says that this
551 occurred, they'd already left to go the island before I got back from Boston. So I don't think
552 that could have happened at all.

553

554 EM: There was a witness there, Johanna Sjoberg who says that you did visit the house in
555 that month.

556

557 PA: I probably did, on one of the weirder things, I was staying with the... because of what I
558 was doing I was staying with the Consul General which is further down the street on the 5th
559 so I wasn't... I wasn't staying there. I may have visited but no, definitely didn't, definitely,
560 definitely no, no, no activity.

561

562 EM: Because in a legal deposition 2015, she said she had sex with you three times. Once in a
563 London house when she was trafficked to you in Maxwell's house.

564

565 PA: Yes.

566

567 EM: Once in New York a month or so later at Epstein's mansion and once on his private
568 island in a group of seven or eight other girls.

569

570 PA: No.

571

572 EM: No to all of those?

573

574 PA: All of it, absolutely no to all of it.

575

576 EM: Why would she be saying those things?

577

578 PA: We wonder exactly the same but I have no idea, absolutely no idea.

579

580 EM: She made these claims in a US deposition.

581

582 PA: Hmm mmm.

583

584 EM: Are you saying you don't believe her, she's lying?

585

586 PA: That's a very difficult thing to answer because I'm not in a position to know what she's
587 trying to achieve but I can tell you categorically I don't remember meeting her at all. I do not
588 remember a photograph being taken and I've said consistently and frequently that we never
589 had any sort of sexual contact whatever.

590

591 EM: She spoke about you outside the court in August of this year? She said, I quote, "He
592 knows exactly what he's done and I hope he comes clean about it."

593

594 PA: And the answer is nothing.

595

596 EM: So if Virginia Roberts is watching this interview, what is your message to her?

597

598 PA: I don't have a message for her because I have to have a thick skin. If somebody is going
599 to make those sorts of allegations then I've got to have a thick skin and get on with it but
600 they never happened.

601

602 EM: For the record, is there any way you could have had sex with that young woman, **or any**
603 **young woman trafficked by Jeffrey Epstein in any of his residences?**

604

605 PA: No and without putting too fine a point on it, if you're a man it is a positive act to have
606 sex with somebody. You have to have to take some sort of positive action and so therefore
607 if you try to forget it's very difficult to try and forget a positive action and I do not
608 remember anything. I can't, I've wracked my brain and thinking oh... when the first
609 allegations, when the allegations came out originally I went well that's a bit strange, I don't
610 remember this and then I've been through and through it and through it over and over and
611 over again and no, nothing. It just never happened.

612

613 **SEGMENT 9**

614 EM: Epstein's housekeeper also in a Florida Court legal deposition said that you visited the
615 Palm Beach residence around four times a year, you got a daily massage.

616
617 PA: Four times a year?

618
619 EM: That was what he said in a Florida Court legal deposition.

620
621 PA: No.

622
623 EM: I'm just wondering when you look back now, is there a chance that those massages
624 might have been the services of someone who is being sexually exploited or trafficked by
625 Epstein?

626
627 PA: No, I don't think... I mean I... no, definitely not, definitely not and I definitely did not visit
628 his Palm Beach house three of four times a year, absolutely not.

629
630 EM: How many times would you say you visited?

631
632 PA: In total, probably four times in total throughout the time that I knew him. In fact
633 probably that was the place that... if you see what I mean, he was in the house more there
634 than in other... in other places that I was at.

635
636 EM: So that's where you'd find him?

637
638 PA: But it was usually because I was going... I was going through and on somewhere else so
639 it was a day, that was it.

640
641 EM: You said in your statement from the palace, at no time did I see, witness or suspect any
642 suspicious behaviour.

643
644 PA: Yeah, yeah.

645
646 EM: Virginia Roberts's legal team says, "You could not spend time around Epstein and not
647 know what was going on. You could not spend time around Epstein and not know what was
648 going on."

649
650 PA: If you are somebody like me then people behave in a subtly different way. You
651 wouldn't... first of all I'm not looking for it, that's the thing, you see, if you're looking for it,
652 then you might have suspected now with the benefit of a huge amount of hindsight and a
653 huge amount of analysis, you look back and you go well was that really the way that it was
654 or was I looking at it the very wrong way? But you don't go into these places, you don't go to
655 stay with people looking for that.

656
657 EM: "You could not spend time around him," that was what they said, "You could not spend
658 time around him and not know".

659

660 PA: The other aspect of this is that... is that I live in an institution at Buckingham Palace
661 which has members of staff walking around all the time and I don't wish to appear grand but
662 there were a lot of people who were walking around Jeffrey Epstein's house. As far as I was
663 aware, they were staff, they were people that were working for him, doing things, I... as it
664 were, I interacted with them if you will to say good morning, good afternoon but I didn't, if
665 you see what I mean, interact with them in a way that was, you know what are you doing
666 here, why are you here, what's going on?

667

668 EM: But you'd notice if there were hundreds of underage girls in Buckingham Palace
669 wouldn't you?

670

671 PA: Oh God, but sorry you would notice if there were hundreds of underage girls in Jeffrey's
672 house. Wasn't there, not when I was there. Now he may have changed his behaviour
673 patterns in order for that not to be obvious to me so I don't... I mean this is... you're asking
674 me to speculate on things that I just don't know about.

675

676 **SEGMENT 10**

677 EM: You seem utterly convinced you're telling the truth, would you be willing to testify or
678 give a statement under oath if you were asked?

679

680 PA: Well I'm like everybody else and I will have to take all the legal advice that there was
681 before I was to do that sort of thing. But if push came to shove and the legal advice was to
682 do so, then I would be duty bound to do so.

683

684 EM: Because you've said there are many unanswered questions, everyone affected wants
685 closure, you would help to provide that closure.

686

687 PA: If there was... in the right circumstances, yes I would because I think there's just as much
688 closure for me as there is for everybody else and undoubtedly some very strange and
689 unpleasant activities have been going on. I'm afraid to say that I'm not the person who can
690 shed light on it for a number of reasons, one of which is that I wasn't there long enough.

691

692 And if you go in for a day, two days at a time, it's quite easy I'm led to believe for those sorts
693 of people to hide their activities for that period of time and then carry on when they're not
694 there.

695

696 EM: Virginia Roberts's lawyers, legal team say that they've asked for a legal statement from
697 you. There is an active FBI investigation, would you be willing to provide that?

698

699 PA: Again, I'm bound by what my legal advice is... legal advisers tell me.

700

701 EM: Epstein was found dead.

702

703 PA: Yep.

704

705 EM: In prison.

706

707 PA: Yes.

708

709 EM: In August of this year.

710

711 PA: Yep.

712

713 EM: What was your response on hearing that he'd died?

714

715 PA: Shock.

716

717 EM: Some people think that he didn't take his own life.

718

719 PA: There again, I'm not one to be able to answer that question. I believe that centres
720 around something to do with a bone in his neck so whether or not if you commit suicide
721 that bone breaks or something. But I'm afraid to say I'm not an expert, I have to take what
722 the coroner says and he has ruled that it was suicide so...

723

724 EM: He's dead, his girlfriend Ghislaine Maxwell, your old friend was, victims say, complicit in
725 his behaviour.

726

727 PA: That bit I can't help you with because I've no idea.

728

729 EM: Do you think that she has questions to answer about her role in this?

730

731 PA: In the same way that I have questions to answer in the sense of what was I doing and as
732 I say that I was there to... to my mind be honourable and say to him, "Look, you've been
733 convicted, it would be incompatible for me to be seen with you," but unfortunately
734 somebody was standing around with a camera at the time and got a photograph of us. It's
735 one of the very few photographs there are of us but that was... that was the case.

736

737 If there are questions that Ghislaine has to answer, that's her problem I'm afraid, I'm not in
738 a position to be able to comment one way or the other.

739

740 EM: When was your last contact with her?

741

742 **SEGMENT 11**

743 PA: It was earlier this year funnily enough in the summer, in the spring, summer.

744

745 EM: About what?

746

747 PA: She was here doing some rally.

748

749 EM: So even though he had by then been arrested and was facing charges of sex trafficking?

750

751 PA: No, no, no, no, no, no, this was... this was early spring I think, it was long... because
752 when was he arrested?

753

754 EM: July.

755

756 PA: No, it was before July.

757

758 EM: And that was the last time?

759

760 PA: Yeah, yeah.

761

762 EM: Did you discuss Epstein at all?

763

764 PA: No, actually funnily enough no not at all, there wasn't anything to discuss about him
765 because he wasn't in the news, you know, it was just... we had moved on.

766

767 EM: I want to talk about moving on now.

768

769 PA: Oh yeah, right, okay.

770

771 EM: Epstein is dead.

772

773 PA: Yes.

774

775 EM: The women are now being heard.

776

777 PA: Quite rightly.

778

779 EM: How do you move on from this?

780

781 PA: Well, it's an interesting way of putting it. I'm carrying on with what I do. I have a number
782 of things that I have been doing since 2011, they're pretty well organised, pretty successful
783 and so I'm carrying on and trying to improve those things that I'm already doing.

784

785 EM: I wonder what effect all this has had on your close family? You've got your daughters of
786 your own.

787

788 PA: It has been, what I would describe as a constant sore in the family. We all knew him and
789 I think that if we have a conversation about it, it's... we are all left with the same thing, what
790 on earth happened or how did he get to where he was, what did he do, how did he do it?

791
792 And so it's just a constant sort of gnaw. I mean this first came out in 2011 and it was a
793 surprise to... to all of us because the photographs were published at a separate time to
794 when I was there and then we sort of questioned what on earth is going on and as a family
795 we discussed it.

796
797 And then in 2015 when the allegations were made in the deposition, there was a sort of...
798 there was a sort of... this is the immediate family, not the wider family. The wider family
799 couldn't be more supportive but the immediate family, it was well, what's all this about?
800 And we all just were at a loss so it's just...

801
802 EM: Has the episode been damaging to the Royal Family, to Her Majesty the Queen?

803
804 PA: I don't believe it's been damaging to the Queen at all, it has to me and it's been a
805 constant drip if you see what I mean in the background that people want to know. If I was in
806 a position to be able to answer all these questions in a way that gave sensible answers other
807 than the ones that I have given that gave closure then I'd love it but I'm afraid I can't. I'm
808 just not in a position to do so because I'm just as much in the dark as many people.

809
810 EM: How do you reconnect with the public then now?

811
812 PA: Exactly what I'm doing which is to use and to continue to work with Pitch, to continue to
813 work with iDEA and the things that I believe strongly in. I'm not somebody who does things
814 in competition with people oddly. I do things in collaboration with people.

815
816 So I want people to... to work together to come to, as it were, a solution to a bigger
817 problem. And so I got a number of people working together, particularly in the education
818 field, particularly in... and also in areas of government and what they are doing so that we're
819 bringing everybody together so that we're all pushing in the same direction and iDEA now
820 does that.

821
822 We've been going properly now for two years, we've got 3.5 million people who got a
823 badge. We've got half a million, or just over half a million young people are using the service
824 and I'm trying to think what else we've got. But it's... well it's designed for seven to 14-year-
825 olds in the United Kingdom and it turns out it's done from 5 to 95 around the world so it's
826 being done in 100 countries now. So we're slightly on the catch-up at this point.

827

828 **SEGMENT 12**

829 EM: I know we have to bring this to a close because we're running out of time. You've faced
830 questions today on a very, very raw subject. There has never been an interview like this
831 before, I wonder what that tells us about the way the Royal Family now confronts these
832 difficult situations. Has there been a sea change?

833

834 PA: I think the problem that I'm... we face in the 21st Century is social media. There is a
835 whole range of things that you face now that you didn't face 25 years ago because it was
836 just the print media. And I think that to some extent there is a... there is a thick skin that you
837 have to have and again I'm not a confrontationist myself.

838

839 I would prefer to be able to, as it were, resolve things in a way that is sensible. And so
840 choosing to, as it were, get out there and talk about these things, it's almost... it's almost a
841 mental health issue to some extent for me in the sense that it's been nagging at my mind for
842 a great many years. I know that I made the wrong judgement and I made the wrong decision
843 but I made the wrong decision and the wrong judgement I believe fundamentally for the
844 right reasons which is to say to somebody "I'm not going to see you again" and in fact from
845 that day forth, I was never in contact with him.

846

847 The subsequent allegations are, what I would describe as surprising, shocking and a
848 distraction. But that's... I mean there are all sorts of things that are on the internet and out
849 there in the public domain that we just sort of go, "Well, yeah," but I'm afraid is... it just
850 never happened.

851

852 EM: You've talked about a thick skin, I wonder if you have any sense now of guilt, regret or
853 shame about any of your behaviour and your friendship with Epstein?

854

855 PA: As far as Mr Epstein was concerned, it was the wrong decision to go and see him in
856 2010. As far as my association with him was concerned, it had some seriously beneficial
857 outcomes in areas that have nothing and have nothing to do with what I would describe as
858 what we're talking about today.

859

860 On balance, could I have avoided ever meeting him? Probably not and that's because of my
861 friendship with Ghislaine, it was... it was... it was inevitable that we would have come across
862 each other. Do I regret the fact that he has quite obviously conducted himself in a manner
863 unbecoming? Yes.

864

865 EM: Unbecoming? He was a sex offender.

866

867 PA: Yeah, I'm sorry, I'm being polite, I mean in the sense that he was a sex offender. But no,
868 was I right in having him as a friend? At the time, bearing in mind this was some years
869 before he was accused of being a sex offender. I don't think there was anything wrong then, the
870 problem was the fact that once he had been convicted...

871

872 EM: You stayed with him.

873

874 PA: I stayed with him and that's... that's... that's the bit that... that... that, as it were, I kick
875 myself for on a daily basis because it was not something that was becoming of a member of
876 the Royal Family and we try and uphold the highest standards and practices and I let the
877 side down, simple as that.

878

879 EM: This interview has been exceptionally rare, you might not speak on this subject again, is
880 there anything you feel has been left unsaid that you would like to say now?

881

882 PA: No, I don't think so. I think you've probably dragged out most of what is required and
883 I'm truly grateful for the opportunity that you've given me to be able to discuss this with
884 you.

885

886 EM: Your Royal Highness, thank you.

887

888 PA: Thank you very much indeed.
